Subject: CCR Meeting/Conference Call with Steven Cook - EPA Headquarters

John,

KDHE has September 14 on our calendars for the CCR conference call with Steven Cook, but we do not have a time for that meeting/call. Do you know whether a time has been set?

We intend to come over to your offices to make the call together with Jim Gulliford and anyone else who is participating from Region 7. Please let us know as soon as possible so we can finalize our schedules.

Thanks.
